
We're Hiring Election Inspectors Right Now!

Each year the Board of Elections hires people to work as Election Inspectors to conduct fair elections that meet NYS Election Laws, for Fulton County. Working as an Election Inspector is a good opportunity to meet and greet your neighbors, and although it is a long day, it is very rewarding to know that you have provided a worthwhile service for your community.

To be qualified to work as an Election Inspector you must be a registered voter in the county, either in the Republican or Democrat Party, be able to speak and write English, and be able to work the entire shift as we do not split shifts. As an Election Inspector you will be required to take a training class. Individuals who complete the training will have the payment of \$25.00 added to their pay when they work Election Day.

Primary Elections hours are from 11:15 A.M. to 9:30 P.M. and General Elections are from 5:15 A.M. to 9:30 P.M.

If you are interested in working as an Election Inspector, please contact the Fulton County Board of Elections for pay rates.
